

FordPass

How the FordPass™ app can benefit you

The FordPass app is a powerful new way for you to access Ford's services and experiences. It is designed to help make your life and mobility easier, as well as making your journeys more enjoyable.

The app will make you feel more connected to your Ford car, accessing data to manage servicing needs, helping you to find parking and also putting you in touch with roadside assistance should you need it.

DASHBOARD

Once you have registered and logged into your account, this will be the first page you see. From here you can access all the different FordPass features by tapping on each of the five cards.

FordPass™ setup & installation guide

Follow the guide below to get the FordPass app set up on your smart phone. You can also learn how to register for an account, pair with your Ford vehicle and register your Ford Credit Account.

INSTALLING THE FORDPASS APP ON YOUR SMARTPHONE

- Search for FordPass on Google Play™ or App Store® and download the app. The application is free to install.
- Once the app has downloaded open the app.
- If you already have a FordPass account, enter your login credentials.
- If you don't have an account, click 'register'.
- Complete the form by entering your basic information.
- Add a PIN number allowing the app to be safe and secure (iPhone users can select to use Touch ID).
- Once this has been completed your FordPass app should be ready to use.

TERMS & CONDITIONS: Available on select models and compatible with select smartphone platforms. SYNC AppLink requires any compatible apps to be installed and running on a capable smartphone while connected to Ford SYNC. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. Message and data rates may apply. These features require installation of the FordPass app and a connected smartphone. Data rates may apply. Not all features/partners may be available at launch and may be added over time. Screen appearance may vary. Depending on your device, you'll need to connect to SYNC 3 via a USB cable for iOS models or via Bluetooth® for Android devices. You can use Live Traffic in those vehicles equipped with SYNC 3 and satellite navigation. These include: Focus, E-MAX and Grand E-MAX (built after September 2016); Kuga, Transit Connect, Ranger (built after October 2016); Mondeo, S-MAX, Galaxy, All-New Fiesta (built after 15th May 2017), Mustang (built after 1st March 2017) and Edge (built after 15th March 2017). Available via a free download, message and data rates may apply. Apple and the Apple logo are trademarks of Apple Inc., Registered in the U.S. and other countries. App Store is a service mark of Apple Inc. Android, Google Play and the Google Play logo are trademarks of Google Inc.
